

# 72é Trofeu pell 2022

Estem en una època en que la imatge mitjançant vídeos o fotografia, està més que mai a l'abast de tothom, plataformes com Instagram, Facebook, YouTube, en van plenes. Sabem que quan hi ha molta oferta d'un producte, el preu baixa. Ser fotògraf professional cada vegada és més dur, i l'artístic, encara més.

La cultura és el reflex de l'economia d'una societat, actualment la cultura és cara, per tant, si la societat econòmicament no és estable, la cultura se'n ressent. Qui compra fotografia? Quins són els països on en compren? Els Estats Units, Alemanya, Suïssa i França?

L'Agrupació Fotogràfica d'Igualada, te la tasca i l'objectiu de fomentar la fotografia arreu. Com cada any, el "Trofeu Pell" es exposat i ja fa unes edicions que també es pot gaudir en el esdeveniment del Fineart Igualada, entre un ampli ventall d'exposicions. Es aquí, en les exposicions, on es pot valorar la importància de la feina dels fotògrafs, el seu testimoni i la seva personal visió de plasmar el moment en una instantània.

Veiem i valorem les seves obres acabades, impreses i exposades.

I per què no adquirir una obra original firmada? Valorem l'art de la fotografia !!!

*Estamos en una época en la que la imagen mediante vídeos o fotografía, está más que nunca al alcance de todos, plataformas como Instagram, Facebook, YouTube, van llenas. Sabemos que cuando hay mucha oferta de un producto, el precio desciende. Ser fotógrafo profesional cada vez es más duro, y lo artístico, aún más.*

*La cultura es el reflejo de la economía de una sociedad, actualmente la cultura es cara, por tanto, si la sociedad económicamente no es estable, la cultura se resiente. ¿Quién compra fotografía? ¿Cuáles son los países en los que compran? ¿Estados Unidos, Alemania, Suiza y Francia?*

*La Agrupación Fotográfica de Igualada, tiene la tarea y el objetivo de fomentar la fotografía por todas partes. Como cada año, el "Trofeu Pell" es expuesto y ya hace unas ediciones que también se puede disfrutar en el evento del Fineart Igualada, entre un amplio abanico de exposiciones. Es aquí, en las exposiciones, donde se puede valorar la importancia del trabajo de los fotógrafos, su testimonio y su visión personal de plasmar el momento en una instantánea.*

*Vemos y valoramos sus obras terminadas, impresas y expuestas.*

*¿Y por qué no adquirir una obra original firmada? Valoremos el arte de la fotografía!!!*

Ramon Mascaró Seuba  
President de l'Agrupació fotogràfica  
d'Igualada i Chairman del Saló

*We are in a time when the image through videos or photography is more than ever available to everyone, platforms like Instagram, Facebook, YouTube, are a great source. We know that when there is a lot of supply of a product, the price falls, being a professional photographer is getting harder and artistic, even harder.*

*Culture is a reflection of the economy of a society, currently culture is expensive, therefore, if society is not economically stable, culture suffers. Who buys photography? In which countries do you buy them? United States, Germany, Switzerland and France?*

*The Igualada Photographic Group has the task and objective of promoting photography everywhere. As every year, the "Trofeu Pell" has its own exhibitin and it has already been present in the last of a few editions at the Fineart Igualada event, among a wide range of exhibitors. It is here, in the exhibitions, where the importance of the work of the photographers, their testimony and their personal vision of capturing the moment in a snapshot can be appreciated.*

*We see and value your finished, printed and exhibited works.*

*And why not acquire an original signed work? Let's give the value that it deserves!!!*
